- Education
- Agriculture & Rural Nebraska
- Graduation

### Leadership Lincoln County - Vision -

Strengthening our community one person at a time by providing experiences to increase awareness and to stimulate involvement.

# Why not YOU?

## Experience Lincoln County like you haven't before!

In Leadership Lincoln County, you will be a part of an outstanding group of men and women participating in a ten-meeting study of Lincoln County. Each session will focus on a specific aspect of Lincoln County with the following in mind:

- Developing networking skills
- Gaining community awareness
- Enhancing community involvement
- Developing leadership styles/skills

In addition to learning specific leadership skills and gaining broader exposure to Lincoln County, you will meet peers from other fields. This is an opportunity to form friendships that will benefit your professional and volunteer careers.

Through your participation, Lincoln County gains a group of potential leaders who have developed a heightened sense of civic concern and responsibility. Employers benefit from new insights gained by participants and the community contacts they make.

Sessions start August 17th, 2009 and run from 8:00 to 5:00. They will be held on the 3rd Tuesday of each month through May, 2011. Out of class time is required to participate in a project directly benefiting the community. Tuition includes all sessions, meals, and travel to Lincoln for our Legislative session. Apply with payment by 6/15/09 to receive the \$25 early bird discount and pay only \$250.
